

In response to the July 3, 2008 Restriction Requirement, Applicant provisionally elects Group II, Claims 52-75, with traverse. Traversal is on the grounds that a search of the art for one group of claims will necessarily include a search of the art for the other group of claims. It is believed that the burden on the Examiner to examine all claims in a single application is less than the burden on the Applicants/public to prosecute/search more than one application/patent.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 625-3507. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
